Dear Senator Lautenberg:

Thank you for your letter of March 14 on behalf of your constituent, [] concerning the case of Rosana Judith Szaferstein.

Ms. Szaferstein is among the many who have disappeared in Argentina and about whose welfare and whereabouts we have been unable to obtain information. Accounting for the disappeared is one of the most difficult human rights problems facing the Argentine Government and one which we hope the Argentines will resolve.

We will ask our Embassy to remain alert to your concern and to inform you should there be any new information.

With cordial regards,

Sincerely,

Alvin Paul Drischler
Acting Assistant Secretary
for Congressional Relations

Enclosure:

Correspondence returned.
